Remtek Services, Inc.
204 Branchwood Ct.
Deptford, NJ 08096
Attn: Chris Nuhfer

Dear Chris,

I'd like to take this opportunity to thank you for a job well done. With the devastation of hurricane Sandy, our roof was in total shambles. I received a few quotes and quickly knew I wanted to go with your system in lieu of the more conventional roofing systems out on the market. The idea of a seamless roof was awfully alluring. Equally as appealing was the bottom layer of foam. This foam created insulating properties that we observed on the very first day. Our shop was noticeably warmer. I look forward to a savings on my heating and cooling costs because of this new roof.

Your crew was very professional, courteous and accommodating. In fact, it was a relatively painless process in terms of coordination and installation. I have no reservations about recommending Remtek to anyone who is looking to replace their roof. In fact, just have them call me and I'll tell them personally what an outstanding job your company did.

Thank you again for a job well done.

Best regards,

Mark A. Perilstein
Vice President
